## CONCERNS AND CONSIDERATIONS REGARDING **ONLINE WORSHIP**

### **CHALLENGES**

- Lack of access to technology and internet service
- Lack of personal connection on online platforms
- Lack of music resources available
- Cost
- Lack of participation
- Age
- Less spontaneity, more performative due to wider broadcast on internet
- Requires extra energy
- Learning curve
- Difficulties with sound in hybrid worship scenarios
- More preparation
- Need more technology support

### **SUCCESES**

- Increased partnerships
- Increased access despite geographical distances
- Increased safety
- Keeping community together
- Accessibility of recordings
- Ease of delivery and access
- Cost
- Accessible by video or phone
- Collaboration and shared leadership
- Still able to have coffee time/community time online
- Attracting people beyond community of faith
