| Sosan Montour    | <p>Thanksgiving Prayer- Ohenton Kariwatekwen.<br/>Ronwahaweta Robert Patton shared the following Thanksgiving Prayer:<br/>“Loving Creator, in our language we say Takwaiehtison, we come to you with thankful and hope filled hearts. As we gather each day it is our responsibility that we give greetings, love, and thanks to each other as peoples, that we gather each and every day and show respect for all your creation. For this wonderful day, we give thanks for being able to walk on this place we call Mother Earth, that we have a relationship with her. That she takes care of us as a mother. We have a responsibility to give her that same love and respect that we give our mothers in all our Nations. And we realize that everthing we need to have a good life, to have peace in our minds, to have strong and healthy body is all in front of us and it comes from our Mother Earth. It then is our responsibility to give back and not to take too much and to take care of her. As we meet each other each day this is a ceremony and as we greet each other we give great thanks or as we say Niawen Kowa. We give thanks for the waters and the fish life that keep our waters clean and give us food. We give thanks for all the medicines. From the beginning they were instructed to take away sickness. They were and always wanting and ready to heal us. We are happy that there are still among us those special few who remember how to use these gifts you have given. So, with one mind we send our greeting and thanks. We give thanks for all the tree life and all the birdlife that bring us beautiful music. Each day they remind us to enjoy life. We give thanks for the four winds. We hear their voices in the moving air as they refresh us and purify the air we breathe. We give thanks for the Thunderes or as we say Ratiweras. We give thanks for our Eldest Brother, the Sun, and for Grandmother Moon. We give thanks for the stars that shine and guide us. We give thanks for all the Elders and enlightened teachers that lead us in good paths. You have blessed us through all our relations, and we give you our thanks. Now, we are at the place where we end our words of Thanksgiving, of being thankful for all that we have named. It is not our intention to leave anything out. If anything was forgotten, we leave it to each person to send such greetings and thanks in their own way in the Sanctity of silence.<br/>And now our minds are one.”</p> |
| Rev. Darla Sloan | <p><b>Our theme this season is “Rolling away the Stone”. Last time we met, we heard the story of Lazarus, isolated for many days, blocked in by a stone.</b></p>   |

|  |  |
|--|--|
|  | In the season of Easter, we heard the story of the women going to the tomb, and wondering how they were going to remove the stone, only to find it already rolled away.  |
|  | <b>We considered seeds, sleeping in the ground, waiting for the moment when they can sprout, a potential waiting to come to its fullness.</b>  |
|  | Many had hoped that by now, things would be “back to normal” after the pandemic. Others had hoped that we would be transformed by our time in confinement. It has been a long time and the effects of the pandemic continue to effect how we live.   |
|  | Our scripture for this meeting is taken from 1 Peter chapter 2. Let us listen to words of encouragement and hope written some 2000 years ago.  |
| Norm Haslam                            | <b>1Pe 2:1-5 So clean house! Make a clean sweep of malice and pretense, envy and hurtful talk.</b><br><b>2 Now, like infants at the breast, drink deep of God's pure kindness. Then you'll grow up mature and whole in God.</b><br><b>3 You've had a taste of God.</b><br><b>4 Welcome to the living Stone, the source of life. The (workers) took one look and threw it out; God set it in the place of honor.</b><br><b>5 Present yourselves as building stones for the construction of a sanctuary vibrant with life, in which you'll serve as holy (people) offering Christ-approved lives up to God.</b><br><i>(adapted from The Message)</i> |

The Conseil regionale Nakonha:ka Regional Council takes seriously the mandate from Jesus Christ to live out care for all living things, to speak out when injustice is seen and heard, and to be a community that is loving, open, inclusive, and respectful.

This meeting and the people are asked to respect in our words and actions all creeds, ethnicities, languages, colours, genders, sexual identities, and faith journeys.

If anyone should hear or see anything in our meeting time which goes against our community norms, please speak up in our meeting and let us know. If you do not feel comfortable speaking out, please reach out to our Equity Team by phone or private chat during the meeting.

**Announcements - Asylum-seeking family at Plymouth Trinity United Church**

Rev. Samuel Vauvert Dansokho made the following announcement regarding sanctuary to an asylum-seeking family at Plymouth Trinity. Samuel provided his presentation here below:

The last few days in Plymouth-Trinity have been dominated by the decision to provide for sanctuary to the Rodriguez-Flores family. I would like to make it the subject of this weekly pastoral note which will therefore be longer than usual.

It was on Friday November 05 that I was first seized by the Executive Minister of our Regional Council Nakhonhaka Regional Council. She was referring to me an urgent appeal to provide for sanctuary to an asylum-seeking family that was going through the throes of an impending deportation order. A little later, I received the same email and actively sought out reliable information, after I forwarded correspondence to the members of the Plymouth-Trinity Church Board, for their information and comments.

Caution and space do not allow me to fully disclose my contacts or the content of such information. An emergency special meeting was called for Sunday, just after the worship service. After hearing first-hand testimony there, the Board deliberated on the matter and decided to provide for the requested refuge, in faith and not without trembling and trepidation, but with the strong conviction that the Rodriguez-Flores family (Georgina : the mother, Manuel: the father and Manolo: the son who just turned 18) had committed no violent crime and risked almost certain death if they were forced to return to their country of origin, the Mexico. To our knowledge, the main source of their problems lies in their refusal to collaborate with a notorious cartel of drug traffickers.

The family is now in sanctuary. We appreciate our heavy responsibility in the exercise of a privilege and a compelling duty. I give thanks to God for living in a country of law such as Canada and I am grateful to exercise my responsibilities as a minister in a community of faith such as Plymouth-Trinity. More than ever, we need to demonstrate wisdom, courage, discernment, discipline and faith in our prayers, actions and thoughts.

Now, reality is kicking in on us: what are the legal issues raising from our decision in terms of insurances on the people and the family? How practically and legally (e.g., CRA) organize financial support? Any educated information or advice would be welcome.

Please contact Shanna Bernier who is the coordinator of our ad hoc team or myself.

We are not alone. Thanks be to God for deep spirituality, bold discipleship and daring justice!

Discussion: It was noted that the correct terminology to be used is “*providing* sanctuary” and not “offering sanctuary” which is not legal. *Providing* means that the church is responding to a request.

### **Prayer of Support**

Rev. Ellie Hummel led the court in prayer, raising up the concerns felt at Plymouth-Trinity United Church, and asking for continued presence and guidance during this difficult time.

### **Announcement – Ordination of Raphaël Pérusse**

Rev. Linda Buchanan announced that Raphaël Pérusse would be ordained on November 21<sup>st</sup> at 3:30 PM in the sanctuary of Beaconsfield United Church. Following the announcement, the court celebrated by singing Halle, Halle, Halle (Voices United 958).

Slide 1 - Only the rainbow

The members of the Fierté et Ami.e.s - Pride & Friends Network would like to thank the Conseil régional Nakonha:ka Regional Council for having offered us this time to present our request to the Regional Council.

Slide 2 - Title slide

But before we share the video of the personal story, we would like to invite you to join in singing our diversity. Please join us, with mic's on mute, in singing "Queerly Beloved", composed by Amanda Udis-Kessler. This hymn is part of a collection of Queer Sacred Music.

Slide 3 - Queerly Beloved

Queerly beloved, we have assembled,  
Joining in wonder, singing in praise.  
Lifting our eyes, raising our voices,  
Trusting in hope, in love, and in faith.  
Alleluia, alleluia, alleluia, God is great.

Queerly beloved, we have been hated,  
Treated as outcasts, ragged and rough.  
Still we persist, joyous and grateful,  
Trusting that grace is ever enough.  
Alleluia, alleluia, alleluia, God is love.

Queerly beloved, we have discovered  
Love that is perfect, ending our fear.  
There is a truth waiting to claim us.  
There is a call so strong and so clear.  
Alleluia, alleluia, alleluia, God is here.

Slide 4 - Our Request

By taking this important step, Conseil régional Nakonha:ka Regional Council will be joining many other regional councils in working through this process to become even more inclusive and more aware of the issues still faced by people in the GLBTQ2S+ communities both inside and outside the church. At the end of our presentation, we will be asking you to voice your support for this effort in the form of an electronic vote.

Slide 5 - Interview with Raphaël title slide

As you listen to the interview, you will hear Raphaël eloquently give voice to issues and concerns that still exist in the GLBTQ2S+ communities, and, also a powerful call to all of us to live ever more fully into our theology as an Inclusive church. We hope this video will be helpful in your discernment of our request for your support in our efforts to become an Affirming Regional Council.
