## About Us

### Our Mission:

**"To create a space for the spirit to act"**

United Spirit Camp is a volunteer-led camp for kids and youth aged 8–15. This camp is supported by and staffed by members of the United Church of Canada. We strive to be an inclusive and open-hearted camp creating safe spaces for young people to create community, explore their spirituality, build new friendships, and inspire! United Spirit Camp has Christian content, but we welcome campers of all faiths and no faiths. United Spirit is the only sleep-away camp run by the United Church in Quebec!

Nous accueillons divers campeurs de partout au Québec, en Ontario et au-delà. Le camp se déroule principalement en anglais, mais nous faisons de notre mieux pour accueillir les enfants francophones.

# United Spirit Camp

JUNE 26TH TO JULY 2, 2022

CARING FOR CREATION!

# Our Location!

United Spirit Camp rents the charming and cozy campsite called "Camp D'action Biblique" located between Richmond and Danville just off Rte. 116. This 62-acre camp has been in operation since 1947. It has rustic cabins and a pond for swimming and boating. We also enjoy a large sports field and many forest trails,

## United Spirit Camp affirms and celebrates diversity!

We strive to be inclusive and welcoming to campers with LGBTQ+ identities, racial, cultural, religious, or linguistic differences, and/or disabilities.

We do our best to create a camp space where youth can be themselves and express their opinions in an environment free of discrimination. Please let us know if there is something we can do to make camp more comfortable for your camper!

# Our Programs

## Juniors

Ages 8-10 (as of Sept 30 of this year)  
Juniors sleep in cabins that range from 6 to 10 beds, with one or two counsellors per cabin. Juniors get waterfront time daily which includes swimming and canoeing on the pond. They also participate in activities that they personally can select based on their own interests.

## Intermediates

Ages 11-12 (as of Sept 30 of this year)  
Intermediates sleep in cabins that range from 6 to 10 beds, with one or two counselors per cabin. Intermediates campers get waterfront time daily which includes swimming and canoeing on the pond. They also participate in activities that they personally can select based on their own interests.

## Seniors

Ages 13-15 (as of Sept 30 of this year)  
Seniors sleep in large tents in a wooded area a little ways away from main camp. Campers help their counsellors with breakfast and lunch preparations, participate in their own activities, but join the rest of camp for evening meals, wide game, campfire, morning watch and vespers. Senior campers have the opportunity to self-lead and build a unique community within the greater camp.

## Leadership Training

Ages 15-16 (as of Sept 30 of this year)  
Leadership Training campers (LTs) participate in all aspects of camp life, but also have their own programming which focuses on building leadership skills, personal development, and providing a basic orientation to becoming a counselor (if that is something they might want to do). LTs have the opportunity to demonstrate leadership by planning and leading a camp-wide game throughout the week and supporting the counselors at bedtime one evening.
