

Parking instructions for Plymouth-Trinity United Church (380 Dufferin Street)

Here are a couple of photos of the road to the parking lot. The two roads that intersect are Montreal and Dufferin. You turn right off Dufferin onto Montreal to access the (large) parking lot.

I hope this is clear. We will station someone here on the corner with a sign, and then also in the parking lot so folks get up to the side door, which is facing Dufferin street.
